Terms and Conditions of Membership of SmartLink Transport

1. Guarantee of Service

Great Community Transport provides a booking service to members for the use of other members' vehicles and cannot guarantee that vehicles will be available for all requested times.

2. Limitation of Liability

Great Community Transport seeks to assist transport disadvantaged not-for-profit organisations to get access to affordable transport, and while Great Community Transport technically operates the SmartLink Transport Register, Great Community Transport exercises no control over the actual approval of bookings or use or condition of the vehicles.

To the extent permitted by law, Great Community Transport accepts no liability to you, whether in contract, negligence or in any other tort or other common law or statutory cause of action arising in relation to your registration with the SmartLink Transport Register or your use or hire of a vehicle through SmartLink Transport Register.

In no event will Great Community Transport be liable to you for any direct, indirect, incidental, special, exemplary or consequential damages of any type whatsoever related to or arising from your registration with the SmartLink Transport Register or your use or hire of a vehicle through SmartLink Transport Register.

Members of Great Community Transport are independent persons responsible for their own actions and no relationship of agency exists between Great Community Transport and its members, including vehicle owners and volunteer drivers.

By registering with the SmartLink Transport Register you accept Great Community Transport's limitation of its liability to you.

All information provided will be treated in strict confidence
